### The well-being of employees has top priority: Viessmann recognised as a Top Employer 2022

- Viessmann is recognised as Top Employer 2022.
- Viessmann supports and enables employees with excellent working conditions.

**Allendorf, Jan 21, 2022** - The family business is committed to creating excellent employee conditions and providing employees with the best possible support in their everyday endeavors. After a three-month certification process, the Top Employers Institute has now certified Viessmann as a Top Employer 2022 in Germany and therefore as a highly attractive employer.

The Top Employers Institute examined the participating employers in six overarching HR dimensions and 20 HR areas in an extensive survey followed by a detailed audit. Areas such as People Strategy, Work Environment, Talent Acquisition, Learning, Well-being and Diversity & Inclusion were considered. Viessmann was rated particularly positively under the headings of Business Strategy and Talent Acquisition.

The Top Employer certificate attests to the fact that Viessmann places its employees at the center of its business activities and offers them an outstanding working and development environment. The Viessmann People & Organisation team is tasked with supporting and enabling our employees so that they can fully commit to fulfilling our purpose every day.

David Plink, CEO of the Top Employers Institute, says: "Given the challenging year, which like the year before has impacted businesses around the world, Viessmann has once again demonstrated that it prioritises maintaining excellent employee practices in the workplace. Viessmann continues to meet the challenges of the changing world of work and works tirelessly to positively impact the lives of its employees."

In the future, Viessmann will keep working tirelessly towards creating the best possible working environment for its employees.

## About Viessmann

We are Viessmann, a family business. Founded in 1917 as a heating technology manufacturer, today we are one of the world's leading providers of sustainable climate (heating, cooling, water and air quality) and renewable energy solutions.

Our integrated solution offering connects products and systems via digital platforms and services, creating an individualised feel-good climate for our users. All activities are driven by our company purpose, "We create living spaces for generations to come". This is the responsibility that we, the 12,700 members of the Viessmann family, take on every day together with our (trade) partners.
